

## Operation Encompass

As part of our safeguarding partnership, we participate in the Operation Encompass initiative.

Operation Encompass is a police and education early information safeguarding partnership enabling schools to offer immediate support to children experiencing domestic abuse.

Operation Encompass ensures that there is a simple telephone call or notification to a school's trained Designated Safeguarding Lead /Officer (known as key Adult) prior to the start of the next school day after an incident of police attended domestic abuse where there are children related to either of the adult parties involved.

Operation Encompass aims, by directly connecting police and schools, to secure better outcomes for children, to enable schools to better understand the impact living with domestic abuse has upon children, to help schools to better understand a child's lived experience and to therefore be able to support and nurture each child, making a child's day better and giving them a better tomorrow.
